AMENDMENT

Dear People:

In response to the Office Action of June 22, 2007, (the Office Action) in the above identified application, please amend the Abstract and Claims of this application to read as follows: (This Amendment is identical to that originally filed on 12/24/07 except that it has been corrected as requested in a Notice of Non-Compliant Amendment dated 3/7/08 to indicate that claims 19-28 have been canceled, and it has been further amended in response to a Notice of Non-Compliant Amendment dated 9/11/08 asking that the change made in the preamble from "A method" to "A computer system" has been properly indicated.)

This amendment was originally filed on March 13, 2008, but is being refilled today, June 9, 2008, to make the corrections to claims 1, 4, and 29 requested in a Notice of Non-

Compliant Amendment issued on June 2, 2008, namely that the word "is" be indicated as having been deleted, and the word "being" be indicated as having been added.
